++ Valid for broadcast between 1800 and 0600

Headline:
Dry overnight, bright with some sunshine tomorrow.

This Evening and Tonight:
Mostly dry with variable, often large amounts of cloud, although there will also be occasional clearer breaks, which could allow a few mist and fog patches to form. Minimum temperature 9 deg C (48 deg F).

Thursday:
Mostly dry with some bright or sunny spells. Becoming breezy in the north, especially across the Peak District, as thicker cloud and rain arrives toward midnight. Maximum temperature 16 deg C (61 deg F).

Outlook for Friday to Sunday:
Bright but feeling colder on Friday. Winds easing. Saturday, bright but chilly start, turning cloudier. Sunday, cloudier and breezier with some rain, perhaps heavy across the Derbyshire hills. Milder.
